**AFFIDAVIT OF LT. DAVID BARNETT**

STATE OF TEXAS           §  
                                     §  
COUNTY OF COLLIN       §

**BEFORE ME**, the undersigned authority, a Notary Public in and for the State of Texas, personally appeared **DAVID BARNETT**, who being by me duly sworn deposes as follows:

1. My name is David Barnett. I am over the age of twenty-one (21) years, am competent to make this affidavit and have never been convicted of a felony or crime involving moral turpitude. I have personal knowledge of the facts contained in this affidavit, unless otherwise stated, and they are true and correct to the best of my knowledge.

2. I am employed with Collin County, Texas, as a Lieutenant in the Jail Operations - Services Division of the Collin County Sheriff's Office. My office is located and I work in the Collin County Detention Center, also known as the Collin County Jail, located at 4300 Community Boulevard in McKinney, Texas. As a Jail Lieutenant, I am familiar with and have access to the official records regarding persons who are booked into and detained in the Collin County Jail. In connection with my experience and employment with the Collin County Sheriff's Office, I am generally familiar with the Collin County Sheriff's Office and the Detention Center's policies, procedures and informal practices regarding inmate grievances and religious accommodations as set forth in the INMATE HANDBOOK and the COLLIN COUNTY DETENTION BUREAU POLICY MANUAL and through my involvement in the day to day operations at the Jail. I am also generally familiar, through my review of documentation and records, with Larico Frenshun Williams, who was formerly detained in the Collin County Detention Center.

3. Larico Frenshun Williams was most recently incarcerated in the Collin County Detention Center from December 20, 2022, to April 21, 2025. He was transferred out of the Collin County Detention Center on April 21, 2025, to a contracted LaSalle Facility where he awaits imminent transfer to the Texas Department of Criminal Justice. Mr. Williams has not been housed in the Collin County Detention Center since April 21, 2025.

4. I am aware that Mr. Williams has filed a lawsuit against Collin County Detention Officer “Jolene Scott (C.O)” who he incorrectly asserts was a “Kitchen Tech”. I have read and am generally familiar with the allegations contained in the PRISONER’S CIVIL RIGHTS COMPLAINT (Doc. 28) filed on July 10, 2024. I read in such lawsuit that Mr. Williams alleges in paragraph IV(B) that “She [Jolene Scott] denied me my trays for Ramadan (3) times. (3/23).” I also read in Paragraph V where Mr. Williams alleges: “I was denied my meals for the month of Ramadan 3 times by the Kitchen Tech at the time (Officer Jolene Scott). She has also been feeding all the Muslims cold cuts while everyone else gets hot meals on purpose. Also, there were numerous photos and documentation taken of bugs in our food (gnats) and also inconsistencies of the meals throughout Ramadan.” At the time of the alleged incident [March/April 2023], Mr. Williams was housed in Pod 4A of the Detention Facility. Detention Officer Jolene Scott worked in Laundry Services and she was not a “Pod Officer”. In other words, Detention Officer Jolene Scott would not be involved in inmate meals and she would not be physically stationed in any of the inmate Pods as her work area was in the Laundry of the Collin County Detention Facility. I have carefully reviewed the documentation regarding Mr. Williams’ detention in the Collin County Detention facility and could not find any evidence or documentation at all that Detention Officer Jolene Scott had any interactions at all with Mr. Williams. There are communications through the Detention Center’s electronic Inmate Request System (commonly called the “Kiosk”) between the civilian Kitchen Supervisor Jason Scott and Mr. Williams, but again, none by/between Detention Officer Jolene Scott and Mr. Williams. After a diligent and thorough review of the documentation surrounding Mr. Williams’ incarceration in the Collin County Detention Facility between December 20, 2022, and April 21, 2025, I did not find any documentation or evidence that Detention Officer Jolene Scott denied Mr. Williams his Ramadan meals or that Detention Officer Jolene Scott had any involvement in serving inmate meals as Mr. Williams has incorrectly alleged.

5. I also read in the PRISONER'S CIVIL RIGHTS COMPLAINT that Mr. Williams represents in paragraph III that he "exhausted all steps of the institutional grievance procedure", but I did not see where Mr. Williams attached a copy of his "final step of the grievance procedure with the response supplied by the institution" as requested. Mr. Williams allegations about his exhaustion of grievance procedures are mistaken and/or untrue and he failed to exhaust his administrative grievance procedures and remedies at the Collin County Detention Facility, as I will detail more fully below.

6. The COLLIN COUNTY DETENTION BUREAU POLICY MANUAL contains a comprehensive policy and procedure for inmate grievances and religious accommodations. Also, during the time(s) of his incarceration, Mr. Williams was subject to the rules and regulations of the Collin County Detention Center, which includes inmate grievances. Inmates are provided with a copy of the INMATE HANDBOOK which details the rules and procedures regarding inmate grievances. Pertinent portions of the INMATE HANDBOOK are attached as [Exhibit 1](#) to my Affidavit. When an inmate enters the Collin County Detention Center, they are given a paper copy of the INMATE HANDBOOK. The inmate then acknowledges the receipt of this handbook by signing an ACKNOWLEDGMENT OF RECEIPT. In this document, the inmate acknowledges: "I have read the rules regarding the behavior expected of me. I understand these rules and agree to abide by them while I remain in this facility." Mr. Williams signed such an ACKNOWLEDGMENT OF RECEIPT on December 20, 2022, upon entering the Collin County Detention Center. The ACKNOWLEDGMENT OF RECEIPT of the INMATE HANDBOOK signed by Mr. Williams on December 20, 2022, is attached as [Exhibit 2](#) to my Affidavit.

7. Regarding inmate grievances, the Collin County Jail INMATE HANDBOOK, under "Channels of Communications", provides as follows:

There are specific people to contact regarding your various needs and problems. If you have a special problem or need information, the pod officer will assist in directing your request to the appropriate person.

If you believe you were subjected to unfair or unjust circumstances or actions, you may approach the pod station and complete a grievance / complaint via the kiosk in your pod, or you may request to speak directly with the housing lieutenant regarding the grievance / complaint, by submitting a request via the kiosk. You may also request a paper grievance form from any member of the detention staff. Grievances / complaints of an emergency nature should be presented directly to the pod officer.

The following are grounds for initiation of a grievance:

1. Violation of civil rights
2. Criminal act
3. Unjust denial or restriction of inmate privileges
4. Prohibited act by facility staff

In the grievance, you must state the right or privilege violated, any persons involved, witnesses (if any), date of the occurrence, and any pertinent details.

If your grievance is determined to be a complaint, it will be answered by a detention supervisor. If it is determined to be a grievance, it will be reviewed by a grievance board.

The grievance board will provide you a written interim response within fifteen (15) days of filing the grievance. Upon completion of the grievance board's review of the grievance, you will be provided a written final response within sixty (60) days of filing the grievance.

If you are not satisfied with the grievance board's response, you may submit an appeal directly to the assistant chief deputy via the kiosk in your pod. The assistant chief deputy's response to your appeal is final. If your grievance is determined to be a complaint, it will be answered by a detention supervisor.

8. Based on my review of the documents regarding Mr. Williams, the following is a chronology of what transpired regarding his request for religious accommodation, i.e., his request for meals during Ramadan in 2023. On February 8, 2023, Officer Arisha Sattar prepared and sent me a Memorandum re "Ramadan 2023". She also prepared a Ramadan announcement with basic requirements. The Collin County Detention Center utilizes "INFAX" which is a display system to constantly provide information to inmates. It is similar to the display screens commonly seen at airports with flight information. INFAX rotates information to inmates and an INFAX display screen is located in the day room of each pod in the Collin County Detention Center. An example of an INFAX display screen slideshow is attached as [Exhibit No. 3](#) to my Affidavit. Specifically included on the INFAX display was the information about Ramadan. On March 23, 2023, Mr. Williams submitted through the Kiosk a request stating that he "would like to be on the list for the month of Ramada [sic]". He was advised that the deadline to do so was on March 17, but he was still eventually placed on the list. A copy of the "Ramadan 2023 Special Meal Accommodations" list is attached as [Exhibit No. 4](#) to my Affidavit. Mr. Williams was advised that he was placed on the list by the Inmate Programs Coordinator Olivia Penson via the Kiosk on March 28, 2023. There

were various communications to/from Mr. Williams with various Jail personnel about his Ramadan meals and other matters. A copy of pertinent Kiosk communications regarding Mr. Williams are attached as [Exhibit No. 5](#) to my Affidavit. It is my understanding that a complete copy of all Kiosk communications regarding Mr. Williams have been provided to him as part of the discovery in this lawsuit. On April 1, 2023, Mr. Williams submitted a request on the Kiosk wherein he stated:

I was denied my two dinner trays for Ramadan once again by the kitchen supervisor after repeated times of officer Vasquez telling her I was on the list she tells him that "He's not on this list and I'm not sending him anything down there period". These actions of officer Scott is a direct violation of my 8th amendment rights which is considered "cruel and unusual punishment" and I will seek action because of these direct acts of cruelty.

Officer Sattar responded, writing:

Mr. Williams, I am not sure why you are not receiving your Ramadan dinner trays. I just checked, and you are on our list for inmates who are to receive Ramadan meals, which is the same list that the Kitchen Staff is using to send out the Ramadan meals. I will contact the kitchen to make them aware. Have a nice day - Ofc. Sattar.

Presumably a few days later, instead of using the Kiosk system, Mr. William "sent in the mail" a paper COLLIN COUNTY GRIEVANCE/COMPLAINT FORM dated April 3, 2023. A copy of such FORM is attached as [Exhibit No. 6](#) to my Affidavit. In such FORM Mr. Williams wrote: I was denied my dinner trays for Ramadan once again by the Kitchen supervisor after repeated times officer Vasquez telling I was on the list. She tells him "He's not on this list and I'm not sending him anything down there period." The actions are a direct violation of my 8<sup>th</sup> amendment rights which is considered "cruel and unusual punishment." Mr. Williams identified name of the person involved as "Officer Scott (Kitchen Sup.)" and the witness as "Officer Vasquez." The date and time this occurred was listed as "04/01/2023". Regarding "Any other pertinent details", Mr. Williams wrote "Just the constant discriminatory acts towards the "Muslims"". By saying that before the cold trays that "we were going to get them while everyone else got hot trays."

9. Mr. Williams' paper COLLIN COUNTY GRIEVANCE/COMPLAINT FORM dated April 3, 2023, was reviewed by two Supervisors - me [Lt. Barnett] and Kitchen Supervisor Jason Scott. On April 11, 2023, I responded to Mr. Williams via the Kiosk, writing "Williams, in regard to your complaint dated 04-023-2023: Ramadan meals were sent to both individuals with the last name Williams who

are on the list. I cannot find evidence of you being denied any meal.” Mr. Williams took no further action regarding my response. Kitchen Supervisor Jason Scott, on April 13, 2023, via the Kiosk, wrote to Mr. Williams about the alleged denial of Ramadan meals, inquiring “Are you getting your Ramadan meals now ?” Mr. Williams did not cooperate with Kitchen Supervisor Scott’s attempt to investigate the grievance and did not answer Kitchen Supervisor Scott’s direct question. Rather, Mr. Williams’ wrote to Kitchen Supervisor Scott on April 20 2023, complaining about kitchen staff, that he was being served unsweetened oatmeal and fruit, and that he was being discriminated against because “everyone else got French toast stix.” Kitchen Supervisor Scott responded to Mr. Williams on April 21, 2023, relaying that “We are responsible for making reasonable accommodations for your Ramadan meals. Sometimes you will get different food than the rest of the jail because you have to be fed so early.” Mr. Williams took no further action regarding such response from Kitchen Supervisor Jason Scott.

**10.** If Mr. Williams had not been satisfied with the two Supervisors responses to his COLLIN COUNTY GRIEVANCE/COMPLAINT FORM dated April 3, 2023, he could have submitted an appeal to the Grievance Board. Mr. Williams did not do that. Nor did Mr. Williams respond to Kitchen Supervisor Scott’s question and efforts to investigate the status of the receipt of Ramadan meals. Thus, Mr. Williams did not fully exhaust the grievance/complaint process and procedures afforded to him while incarcerated in the Collin County Detention Facility.

**11.** As a Lieutenant in the Jail Services Division I can serve as a custodian of records for the Collin County Sheriffs Office Detention Facility. I am familiar with the manner in which such jail records are created and maintained by virtue of my duties and responsibilities. ## ORIGINAL REQUEST:

For the first two days of Ramadan the Muslim inmates have received cold bag lunches for breakfast instead of hot meals or meals that are served to every other inmate in this facility. When brought up to the pod officer he informed Lt. Ritchie. Lt. Ritchie informed the pod officer Ashley that they meaning this facility is giving Muslims who are practicing their religion and recognizing the Holy month of Ramadan will be given bag lunches. Thirty minutes later court inmates were given hot meals. This discrimination is a direct violation of our First Amendment rights to observe and practice our religious beliefs freely and correctly. The actions of this facility is meant to dissuade the Muslim inmates in observing from observing our rights. This is a direct violation of our federal constitutional rights and if not corrected immediately I am left with no choice but to seek legal remedies for these blatant acts of discrimination.

due to time constraints, there may be times where you get sandwiches instead of other meals. This is because we have to have you fed before the sun rises and the kitchen does not open until 0500

First I filled the request on time for whatever reason this system did not record it but you being a man of God this is disturbing to say the least that I get pushed back for trying to observe my religious beliefs and practices. There should never be a deadline because new inmates entering this facility will need to be added if practicing their beliefs so it's a simple matter of adding my name to the list and this I feel should never be interfered with.

## ORIGINAL REQUEST:

I'm submitting this request because of the lack of respect for my religious freedom. Because I submitted a request to the chaplain to get on the list for the month of Ramadan and his response was "You didn't meet the deadline so..." I took/take high offense to that response. Reason being he's "supposedly" a man of God and I would like to think he would be more "empathetic" of my situation than he was. As a result I have not been able to practice my religion the way I'm suppose to. This is a discriminatory act which not only violates my First amendment rights, but also is a Federal violation. I ask that action be taken immediately or I shall take action myself.

Well I have a right to have a copy of it because that's what I have to have with the response on it in order to send my 1983.  
It's my right to have that. Are you saying investigations don't provide copies or no one provides them period? Because  
that's all I'm waiting on.

ORIGINAL REQUEST:

I already requested a grievance form from the pod officer. I sent it in and I'm looking for a copy of the grievance with the response and now everyone wants to say they can't provide me with a copy all of a sudden. It should take about 15 days for a response no longer if so I'll have my lawyer come here and get it for me.

No they don't! Why would it tell me on my 1983 form to have a copy of the grievance to send to the district clerk if I had to get it through the Courts? Y'all are playing games and I don't like it! If want me to get someone from the NAACP here I suggest someone get me my paper work because I'm entitled to it.

These people that are in the kitchen are the most disrespectful, prejudice people I have come across in a long time. Not only do they not care about our religion they spit in our faces by blatantly giving us unsweetened oatmeal and fruit in which I still have the trays. They discriminate against us because everyone else got French toast stix.

I was denied my dinner trays for Ramadan once again by the Kitchen supervisor after repeated times of Officer Vasquez telling her I was on the list. The actions are a direct violation of my 8<sup>th</sup> amendment rights which is considered "cruel and unusual punishment"

2. State the name(s) of the person(s) involved.

Officer Scott (Kitchen Sup.)

3. State the name(s) of any witness(es).

Officer Vasquez

4. The date and time that this occurred.

04/01/23

5. Any other pertinent details.

Just the constant discriminatory acts towards the "Muslims". By saying before the cold trays that "we were going to get hot trays" while everyone else got hot trays.
